

# Optometrists Business Property Insurance

Harvard Western Insurance offers a wide range of insurance products and services with specialized insurance advisors who can write specialized lines of insurance such as optometrists. Beyond insurance placement our advisor team provides our clients with additional services such as claims counselling to ensure that our clients are able to make informed decisions when in a claim situation. Additionally, Harvard Western Insurance's five-step claims process ensures that our clients claims run as smoothly as possible by maintaining contact between client and adjustor and advocating on behalf of our clients if needed. Furthermore, Harvard Western Insurance has a financial service department offering life, health, disability and group benefits insurance. They can also add value to clients with a process that integrates all aspects of our clients personal and corporate affairs to deliver tax efficient corporate structures and wealth accumulation strategies customized for each client.
