Protection for your home and belongings

# Home Equipment Breakdown Coverage

Home Equipment Breakdown Coverage helps cover costly gaps in coverage, protecting you from expensive repair or replacement of key pieces of equipment and systems in your home or condominium.

To determine if Home Equipment Breakdown Coverage fits with your insurance needs, please contact your Insurance Broker for further details.

References to "Wawanesa Insurance" mean The Wawanesa Mutual Insurance Company.

## Home Equipment Breakdown Coverage provides coverage\* for the equipment and systems in your home and on your personal property.

#### **EQUIPMENT AND SYSTEMS**

- Central air conditioning
- Boilers, furnaces and heat pumps
- Radiant floor heating
- Pool and spa pumps, heating and filtration
- Electrical service panels
- Home security monitoring and control devices

#### PERSONAL PROPERTY

- Kitchen and laundry appliances
- Home entertainment equipment
- Computers, peripherals and wireless devices
- Mobile medical equipment
- Portable generators and sump pumps

### Home Equipment Breakdown Coverage also includes:

- Coverage for accidental breakdown, even when due to human error, improper installation or lack of maintenance
- Loss of Use
- Lodging costs (Ex. If a furnace breaks down in the winter months)
- No age restriction on equipment or systems, regardless of warranty expiry dates
- Enhancement to environmentally friendly equipment and systems
